ALICO

Year Of Establishment 1986

Ali Corporation is a leading Manufacturing & Exporting company of Agricultural/Farm machinery with diverse range of Implements including Ploughs, Harrows, Ridgers, Maize Planters, Rotators Trailers, Rotavators, Balers and Parts Etc, Company is Exporting Multiple Brands of Tractors From 35HP to 100HP Including 290 2/4WD and Spare Parts. The Company has complete in-house Machining and Fabrication Facility where Metal and Castings Parts are machined Precisely. Company Is Equipped with Latest Fiber Laser Metal Cutting Machine to Ensure the Precise and Complex Parts Cutting

Infrastructure:

Alico is well-equipped with the necessary infrastructure, manpower, and supply chain systems to handle large-scale production and delivery efficiently. If you're considering placing a bulk order with Alico, it's best to contact their sales or customer service team for specifics on lead times, customization options, pricing, and delivery logistics.

R & D:

Alico, a Research and Development (R&D) focused farm machinery Company in Lahore, Pakistan, Emphasizes innovation and product quality to drive agricultural growth

Focus on Innovation and Quality:

Alico prioritizes innovation and product quality in its farm machinery, aiming to improve agricultural efficiency and productivity.

R&D-Driven Approach:

The company's operations are rooted in research and development, allowing them to create and refine machinery that meets the needs of modern farming.

Wide Range of Products:

Alico offers a comprehensive line of agricultural machinery, including tractors, implements, and OEM parts, catering to various farming needs.

Contribution to Agricultural Growth:

By providing high-quality, innovative machinery, Alico aims to contribute to the overall growth and development of the agricultural sector, particularly in Pakistan.

ALI CORPORATION®

a reliable source of farm & agricultural machinery

MILLAT - MF 235 50HP

MASSEY FERGUSON

"New Tractor Model - Specially designed for Orchards & Narrow Spaces."

Product Features

- Smaller in Size & Bigger in Power.
- Economical in Use.
- Spare Parts & After sales services available across the country.
- Suitable for all types of haulage & Tillage operations including PTO work like,
- Tube well, Thresher, Rotavator & Lawn mower

MILLAT - MF 240 50HP

"The Most Popular & Economical Tractor"

Product Features

- Most economical in 50 HP range
- Rugged, maneuverable and compact
- Easy accessibility to service points
- Ideal, versatile, all round tractor
- Spring suspension deluxe Seat
- Availability of parts and service facilities at your doorstep

MILLAT - MF 260 60HP

"A Multiple-Purpose Tractor"

Product Features

- High Performance, Fuel Efficient, Diesel Turbocharged Engine.
- Less Smoke Emission due to Better Fuel Burning.
- Oil cooler added For Effective cooling.
- High PTO Power for Efficient operation of tube wells' Rotavators, Threshers etc
- Robust Straddle Rear Axle.
- Efficient Oil Immersed Multi-disc Brakes.
- Spring Suspension Deluxe Seat.

MILLAT - MF 360 60HP

"Robust, Reliable & Rugged"

Product Features

- Hydrostatic Power steering.
- Heavy Duty Front Axle & Support.
- Water cooled – oil Cooler.
- Longer Wheel Base / Greater Pulling Power.
- High Performance, fuel Efficient, Diesel Turbocharged Engine.
- Robust Straddle Rear Axle with Epicyclic Reduction Unit.
- Efficient Oil- Immersed Multi- Disc Brake System.
- Durable Crown Wheel / Pinion
- High PTO Power.

www.alicopak.co

MILLAT - MF 375 75HP

"Enhanced Power to Excel Progress"

MASSEY FERGUSON

Product Features

- Durable & Highly Efficient Low Noise Engine.
- New Aerodynamic look with stylish wrapper& Grill.
- Oil cooler Added for Effective cooling.
- Mid Mounted Bigger Balancer vibration and smooth Running.
- Improved Harness set with heat shrinkage Sleeves & water Proof couplers.
- Robust straddle Rear Axle with Epicyclic reduction Unit.
- Heavy Duty Front Axle & Support.
- New Spring Suspension Deluxe Seat.
- Hydrostatic Power Steering.
- Smart Steering Wheel for Reduced Steering Effort.
- New Highly Effective Head Lights and Elegant Indicators.
- Hydraulically Actuated Efficient Oil Immersed Multi – Disc Brakes System.

MILLAT - MF 375 4WD 75HP

"The Best Combination of Fuel Economy & High Pulling Power"

Product Features

- Durable & Highly Fuel Efficient Low Noise Engine.
- New Aerodynamic look with Stylish Wrapper & Grill.
- Oil Cooler added for Effective Cooling.
- Mid Mounted Bigger Balancer for reduced Engine vibrations and Smooth Running.
- Improved Harness Set with Heat Shrinkage Sleeves & Water Proof Couplers
- Robust Straddle Rear Axle with Epicyclic Reduction Unit
- Heavy Duty 4WD Front Axle
- New Spring Suspension Deluxe Seat
- Hydrostatic Power Steering
- Smart Steering Wheel for Reduced Steering Effort
- Hydraulically actuated Efficient Oil Immersed Multi Disc Brake System
- Improved Traction Less Tyre Wear Improved Draw Bar Pull

MILLAT - MF 385 85HP

"The Long Term Partner Most Powerfil Yet Economical"

Product Features

- High Performance Diesel Low Noise Engine.
- Reduced Gaseous Emission Under ECE R49.
- Reduced Smoke Level.
- Oil Cooler Added For Effective Cooling.
- Hydrostatic Power Steering.
- Hydraulically Actuated Efficient oil Immersed Multi- Disc Brake system.
- Spring Suspension Deluxe Seat.
- Easy Accessibility to service / Maintenance Points.

MILLAT - MF 385 4WD 85HP

"The Strongest Pakistan Made Tractor Edge Over 2WD"

Product Features

- TRACTION 30% More
- DRAWBAR POWER 16% More
- DRAWBARPULL 34% More
- TYRE WEAR 15% Less
- FUEL EFFICIENCY 15% More
- FIELD WORK SPEED 13 -20 % More

ALI CORPORATION®

a reliable source of farm & agricultural machinery

NEW HOLLAND
AGRICULTURE

NEW HOLLAND - Power Plus 480 55HP

- Durable, Highly Fuel Efficient & Long-life
- Advanced Cooling System for Longer Field Operations
- Turn Around Narrow Corners (Small Tracks)
- Work More Efficiently & Effectively, Improve Proactivity
- Improved Harness Set with Heat Shrinkage Sleeves & Water Proof Couplers
- Maximum Comforts & Controls Come As standards
- Multiple Farm Operations And row Crop Pattern
- Tight Stability
- Control Over slip
- Smooth Operations with Semi Heavy-Duty Implements
- Hydro Assisted Steering With Independent Circuit Turning Radius
- Improved Traction Less Tyre Wear
- Improved Draw Bar

NEW HOLLAND - Special 480 55HP

- Durable, Highly Fuel Efficient & Long-life
- Advanced Cooling System for Longer Field Operations
- Turn Around Narrow Corners (Small Tracks)
- Work More Efficiently & Effectively, Improve Proactivity
- Improved Harness Set with Heat Shrinkage Sleeves & Water Proof Couplers
- Maximum Comforts & Controls Come As standards
- Multiple Farm Operations And row Crop Pattern
- Tight Stability
- Control Over slip
- Smooth Operations with Semi Heavy-Duty Implements
- Steering Options: Manual/ Hydro Assisted Steering With Independent Circuit Turning Radius
- Improved Traction Less Tyre Wear
- Improved Draw Bar

NEW HOLLAND - GHAZI 65HP

- Durable, Highly Fuel Efficient & Long-life
- Advanced Cooling System for Longer Field Operations
- Turn Around Narrow Corners (Small Tracks)
- Work More Efficiently & Effectively, Improve Proactivity
- Improved Harness Set with Heat Shrinkage Sleeves & Water Proof Couplers
- Maximum Comforts & Controls Come As standards
- Multiple Farm Operations And row Crop Pattern
- Tight Stability
- Control Over slip
- Smooth Operations with Semi Heavy-Duty Implements
- Hydrostatic Power Steering Smart Steering Wheel for Reduced Steering Effort
- Improved Traction Less Tyre Wear
- Improved Draw Bar

- Maximum Comforts & Controls Come As standards
- Multiple Farm Operations And row Crop Pattern
- Tight Stability
- Control Over slip
- Smooth Operations with Semi Heavy-Duty Implements
- Hydro Assisted Steering With Independent Circuit Minimum Turning Radius
- Improved Traction loss Tyre Wear
- Improved Draw Bar

NEW HOLLAND - 850

- Lift - o - Matic Precious Hydraulic System
- Durable, Highly Fuel Efficient & Long-life
- Reliable Synromesh System
- Advanced Cooling System for Longer Field Operations
- Turn Around Narrow Corners (Small Tracks & Track Alignment
- Work More Efficiently & Effectively, Improve Proactivity
- Improved Harness Set with Heat Shrinkage Sleeves & Water Proof Couplers
- Maximum Comforts & Controls Come As standards
- Multiple Farm Operations and Row Crop Pattern
- Stronger Front Support
- Tight Stability
- Control Over slip
- Smooth Operations with Heavy-Duty Implements
- Hydrostatic Steering With Extended Steering Angle 4%
- Improved Traction loss Tyre Wear
- Improved Draw Bar
- Designed With Operator Comfort In Mind
